200,000 playground accidents a year.

Prevent them!

Southern Mulch carries IPEMA Certified Playground Mulch

- Exceeds the Head Impact Criteria set forth by the Consumer Product Safety Commission.
- Exceeds the Americans with Disabilities Act (ADA) requirement for wheelchair accessibility.
- Conforms to the particulate sizing standard ASTM F2075-01a to be implemented by ASTM in 2003. The particle sizing also allows the product to interlock and form a wood mat that is resistant to wind and rain displacement.
